

Division of Global Education Advisory Committee

The Division of Global Education (DGE) Advisory Committee serves as an advisory body to the Division of Global Education and to the Vice President for Academic Affairs.

The DGE Advisory Committee is a consultative committee, advising on the development of new initiatives and the enhancement of current practices within the scope of the Division of Global Education. In addition, Committee Members serve as international education ambassadors across the institution.

There are four subcommittees within the Advisory Committee: Student Scholarships, Student Recruitment, Program Development, and Faculty Mobility.

Current members of the DGE Advisory Committee are as follows:
