

# 2021-2022 V4 Verification Document

Your 2021-2022 Free Application for Federal Student Aid (FAFSA) has been selected for a review process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information that you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document, along with any other required documents. If there are differences, your FAFSA information may need to be corrected. You, and the parent whose information was reported on the FAFSA if applicable, must complete and sign this institutional verification document, attach any required documents, and submit this form and other required documents to the Financial Aid Office. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

**Reminder: documents sent through e-mail are not secure. Please use your Student ID number instead of your Social Security Number on forms.**
